This is to proudly certify that Vettrivel U. has successfully completed his internship at CybrtekNinja Private Limited as an Offensive Security Intern, from April 7, 2025 to July 6, 2025. During this tenure, Vettrivel showcased exceptional skills and hands-on expertise in Vulnerability Assessment and Penetration Testing (VAPT), Red Teaming, and Threat Modeling, working across diverse domains including Web Applications, APIs, Network Infrastructure, Mobile Platforms (Android/iOS), and LLM/AI systems.

He demonstrated an impressive depth of knowledge in offensive security, along with strong analytical and problem-solving abilities. His work on client-facing projects was of high value, earning trust and appreciation internally and externally. A monthly stipend of ₹20,000 was awarded, along with confidential project-based payments recognizing his contributions.

We deeply appreciate his commitment, professionalism, and drive for excellence. We fully acknowledge his skillset and highly recommend Vettrivel U. for future roles and career opportunities in cybersecurity and offensive security domains.
